

Week Two Trail Sheet

Pictures will be on display from 8th-14th February

How it works...

- Each number on the map represents a house.
- Starting at number 1, use the map to find the houses, in number order, and look for a picture clue in the window.
- Write the missing words represented by the picture clues in the blank spaces on your story sheet.
- All our clues have the "Story Seekers" logo.
- Please take care when crossing roads and stick to the latest COVID 19 Government guidelines!

Have fun!

Closing Date for the competition is 21st February 2021

The Parable of the Precious Pearl

Based on the Bible story found in
Matthew chapter 13 verses 45-46

There was once a merchant who lived in a very, very big house. A merchant's job was to buy and sell things. As you can imagine, this trade made the merchant a lot of _____(1).

He was able to fill his house with lots and lots of amazing things. He had a cinema in the attic, and a _____(2) in the cellar.

He had an _____(3) maker in the kitchen, and seven cars on the drive!

He even had a whole room full of _____(4).

The merchant was very happy with his life. He had everything he wanted. Until, one day, on a market stall he saw something amazing. It was a wonderful, pale pink _____(5).

The merchant ran home. He had a plan. He started to sell everything in his _____(6).

He sold his cinema, his ice cream maker but he still does not have enough money!

So, he sold his most favourite possession. His silver _____(7).

The merchant ran back to the stall - he had enough money to buy the precious pearl! It is his at last!

Jesus says, "God is like the merchant's pearl. It costs everything to know him. But he is worth more than anything in the world".
